

THE 18TH HANDSHAKE LIVE AUCTION

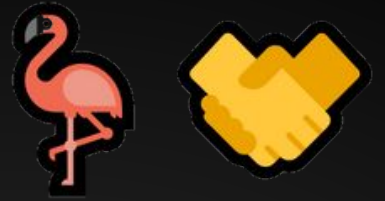

PREMIUM HANDSHAKE DOMAINS & HANDSHAKE MERCH

Auction Information and Rules

- All emoji TLD's are Real/IDNA with a valid and working punycode.
- Submitted domain names are held in escrow.
- During the live auction, bids are placed in the chat. Failure to honor a winning bid will result in a ban for all future auctions.
- The team at Flamingo Handshake will be taking the normal foundation proceeds raised and putting that towards our partner foundations. A percentage of sales will go to benefit various development and community groups in the Handshake ecosystem.

Auction Information and Rules

- For future Flamingo Handshake auctions and events where we auction off single letter TLDs, we're going to ask winners to remit payment in HNS up to \$100k USD in value. The rest could be paid in BTC or ETH.

This decision was made to support demand for HNS coin even in the secondary market.
