

Flamingo Handshake **AUCTION 26**

MARCH 15, 2024

13:10 – 15:10 PST

Auction Information and Rules

- All emoji TLD's are Real/IDNA with a valid and working punycode.
- Submitted domain names are held in escrow.
- During the live auction, bids are placed in the chat. Failure to honor a winning bid will result in a ban for all future auctions.
- The team at Flamingo Handshake will be taking the normal foundation proceeds raised and putting that towards our partner foundations. A percentage of sales will go to benefit various development and community groups in the Handshake ecosystem.

Auction Information and Rules

- For future Flamingo Handshake auctions and events where we auction off single letter TLDs, we're going to ask winners to remit payment in 100k HNS first. The rest could be paid in BTC or ETH.

This decision was made to support demand for HNS coin even in the secondary market.
